### RULES OF THE PROGRAM

Each newly-elected municipal participating will be assigned an experienced participating partner within the program.

During the first year the new/experienced elected municipal officials agree to:

I understand that the LMA District Vice President within my LMA District will be responsible for the partnering of a mentor/mentoree, and that I will be contacted by the LMA once my mentor/mentoree assignment is made. I also understand that it will be my responsibility to make contact with my mentor/mentoree to begin the Program as outlined.

I accept these rules. Please sign me up for this program.
